

1-Year BIO Waitlists

Hello Clinical Science Undergraduate Students,

I hope you are enjoying the semester up to this point. I just wanted to provide a quick reminder for students who are anticipating on requesting to get onto the 2-semester BIO waitlists this Fall 2023. **You will do so beginning on the 6th week of the Fall semester, beginning October 2nd, 2023.**

ELIGIBILITY FOR EACH WAITLIST:

BIO 458/459 Waitlist eligibility: Completion OR Fall enrollment of BIO 122/123.

BIO 324/325 Waitlist eligibility: Completion OR Fall enrollment of BIO 122/123 AND Organic Chemistry.

BIO 425/435 Waitlist eligibility: Automatically considered upon completion of BIO 324/325.

Note: BIO 458/459 and BIO 425/435 are not requirements for Cytotechnology students. Cytotechnology students can take BIO 326/327 in place of BIO 324/325. This class does NOT have a waitlist and is only offered in the Fall semester.

DIRECTIONS: Send one email to biology@csudh.edu with the following template beginning Week #6 of Fall semester, 10/02/2023:

Hello Biology Department, I am requesting to get onto the [course(s) here] waitlist. Here is my information below:

1. Full Name
2. Student ID #
3. Class Standing (Ex: Junior, Senior, etc.)
4. Major
5. *Proof of Prerequisites*
 - a. *Attach copy or screenshot of unofficial transcripts/proof with visible name and college if you are currently enrolled or have not been credited in the system for prerequisites [BIO 122/123 and/or Organic Chemistry]*

Thank you.

It is not a race to send the email as your position is given based off the number of requirements you have remaining. You will receive a response by the last day of the Fall semester.

- You only need to get onto the waitlists once
- Irma “Gaby” Gomez-Dominguez from the Biology Department will update you on your status once per semester and it is the student’s responsibility to keep up with the email

- You must be waitlisted for a minimum of 2-semesters. For example; those who get on the waitlist in Fall 2023, have an opportunity to take the course in Fall 2024 — the earliest.
- If you took of these BIO courses, and needs to retake the class (C- or below), email biology@csudh.edu immediately and let them know you want to retake the class

ALL OF THESE COURSES MUST BE TAKEN AT CSUDH.

If you have additional questions, reach out to me!
