

CSUDH

CALCULUS SUCCESS ACADEMY

Summer 2020

WHO?

Incoming first-year students in Mathematics, Computer Science, Chemistry, Biochemistry and Physics

WHAT?

A self-paced summer program where you will review Algebra skills required for success in Calculus and connect with other STEM students. You will also have multiple opportunities to take and pass a placement exam which will allow you to take a more advanced class your first semester!

WHEN?

You will have access to learning modules as soon as you sign up! Placement exams will be given between June 22 and August 7, with interactive workshops on Fridays.
