

“As we look ahead into the next century, leaders will be those who empower others.”

-Bill Gates

Join our CSU Dominguez Hills

Our Vision:

IEEE is a Computer Science Club that's sole purpose is to unite students to do what they love: Computer Science!

Networking is one of most important things for a college student to experience the true college experience, especially during these unprecedented times. IEEE is designed to welcome all CS students from different levels of experience.

Planned Club Events:

- Algorithm/Code-Alongs
- Raffles
- Game Jams
- ++more YOU decide!

If you are interested, please email the IEEE President, Giovanni Rivera,
or the IEEE Treasurer, Pedro Rangel at:
