CSUDH is dedicated to protecting its students, faculty, and staff during an emergency. This sheet suggests how to respond to an Active Shooter event.

RUN: Identify where the shooting is coming from and escape in the opposite direction. **GET OUT!**

- * Have an escape route and plan in mind.
- * Evacuate regardless of whether others agree to follow.
- * Escape is your priority; if you have to leave your belongings behind to save yourself, do so.
- * Call 9-1-1 when it is safe to do so.

HIDE: If you determine that you cannot escape, the next best thing to do is to barricade yourself in a room.

- * Lock the door, if possible.
- * Blockade the door with heavy furniture and any surrounding materials.
- * Silence your cell phone.
- * Turn off lights.

FIGHT: As a last resort, you must defend yourself against the shooter.

- * Act as aggressively as possible against the shooter and commit to your action.
