If you recommender want to upload an additional letter of recommendation they can do so before they submit the CSUDH form.

If admitted to the Educational Leadership for Justice Program, you will then be invited to apply to the University (Graduate Admission) via **Cal State Apply**. Once you have received your invitation to apply to the University, please request official final transcripts from all colleges and universities attended and have them sent directly to Cal State Dominguez Hill's Office of Admissions (admissions@csudh.edu). Please include transcripts from all institutions before and after your bachelor's degree. The Office of Admissions does not accept composite transcripts. Courses that appear on one transcript but taken at another institution will need to have transcripts sent from that original institution. Please see our website for detail on how to submit your official transcripts.

To expedite processing, please inquire with your sending institution for information in regards to electronic transcript submission. Electronic transcripts must be sent from the institution directly to CSUDH for them to be considered official. Electronic transcripts that originate from the student's personal email address will not be accepted, as those are considered unofficial. Institutions may send electronic transcripts to admissions@csudh.edu.

To enroll in the Doctoral Program, applicants must be admitted by both the Program and University.
