

The Office of Undergraduate Research and University Library presents...

# LIBRARY RESOURCES

*for Student Researchers*  
(Social Sciences & Humanities)

**SEPT 15 | 12:45-1:30 PM**

Are you looking for research in the social science and humanities disciplines? This workshop will feature librarians discussing common research strategies for these fields including specialized databases and resources. We'll also cover brainstorming and other keyword strategies.

Facilitated by: Hannah Lee & Maggie Clarke
