

GRADUATE ADMISSIONS *Seminar*

With Dr. Donald Asher,
Acclaimed Speaker on the
Graduate Admissions Process

RSVP Here

FRIDAY
MARCH
21th
10 AM to 4 PM

Innovation & Instruction Building (II 3320)

This seminar offers valuable insights into the graduate admission process, equipping students with the knowledge and strategies needed to navigate their journey to graduate school successfully. Topics covered include preparing for graduate school through summer internships, research experience, and publications; identifying and applying to programs that align with your research interests; effectively searching for faculty mentors; securing strong letters of recommendation; crafting a compelling personal statement; and exploring funding opportunities for graduate education.

Sponsored by the CSUDH LSAMP Program
