## Choose a format of the presentation that suits you the best:

### **ORAL PRESENTATION** (POWERPOINT)

If you have completed your research project, or have reached a significant milestone on the way toward publishable work, you can give an oral presentation of your research. Both an abstract and a supplemental document are required.

### **POSTER PRESENTATION** (36X48)

If your project is still underway, or if it is a part of a larger project, you can present the status of your contribution to the work in a poster format. An abstract describing your project is required.

### **ROUND TABLE DISCUSSION**

If you are just getting started in your project, or are new to research programs, you can discuss the work you are doing in a roundtable format, moderated by a faculty member. An abstract describing your project idea is required.

**IMPORTANT
