Hello Faculty,

The Payroll Services department hopes you are having a great start to the academic year!

We have received a few calls from faculty with inquiries about their August paycheck; therefore, we hope the information below will be helpful.

Q: Why is my paycheck different this month compared to last month?

A: Per the faculty pay cycle below, your August payment is your 6th check for the prior fall semester.

Faculty Pay Cycle	
PAY PERIOD	PAYMENT NO.
September	Fall – Warrant #1
October	Fall – Warrant #2
November	Fall – Warrant #3
December	Fall – Warrant #4
January	Fall – Warrant #5
February	Spring – Warrant #1
March	Spring – Warrant #2
April	Spring – Warrant #3
May	Spring – Warrant #4
June	Spring – Warrant #5
July	Spring – Warrant #6
August	Fall – Warrant #6

For example, if you were teaching 8 units fall 2022, and 15 units spring 2023, your pay cycle would be as follows:

Faculty Pay Cycle	
PAY PERIOD	PAYMENT NO.
September	Fall – Warrant #1 <i>(8 units)</i>
October	Fall – Warrant #2 <i>(8 units)</i>
