

# Mental health support for you and your family

No matter the size of the challenge you or a loved one faces, it can be hard to figure out what mental health option best meets the moment. Here, you'll find resources to help you confidently connect with the right support at the right time.

### In-the-moment support

#### For support with:

- Stress
- · Grief and loss
- · Parenting/family challenges
- · Self-esteem issues
- · Separation and divorce
- Any concerning changes in your loved one's behavior or mood

### **Ongoing care**

#### For support with:

- Anxiety and depression
- ADD/ADHD
- Bipolar disorder
- Chronic illness or disability
- Domestic violence and anger
- Eating, gambling or compulsive disorders
- · LGBTQ+ care
- Medication management
- Panic attacks/ PTSD
- · Substance use

#### Crisis care

### For immediate support with:

- Use or misuse of alcohol, drugs or other substances
- Misuse of medications

## For immediate support with:

- Suicidal thoughts or emotional distress
- Thoughts of harming self or others

### For immediate support with:

 A life-threatening emergency

### Employee Assistance Program (EAP)

- Speak confidentially with an experienced well-being professional
- Each member can receive up to 3 no-cost counseling sessions per year—in person or over the phone

### Behavioral health benefits

 May include talk therapy, help with medications and hospitalizations

### Family doctor or behavioral health provider

- Discuss concerns
- Learn about care options and recommendations based on their knowledge of your loved one's needs and situation

### Substance Use Helpline

- Get anonymous support 24/7 for you or someone else
- Connect with an advocate who is trained in substance use and recovery

### Suicide & Crisis Lifeline

- Interpretation services in 150 languages
- For text, fill out a short survey about what you or your loved one is going through, then a counselor will contact you

### Emergency Services

- Provide as many details as possible
- Inform the operator this is because of a mental health crisis so they can send the appropriate personnel to handle the situation with care

The material provided through the Employee Assistance Program (EAP) is for informational purposes only. EAP staff cannot diagnose problems or suggest treatment. EAP is not a substitute for your doctor's care. Employees are encouraged to discuss with their doctor how the information provided may be right for them. Your health information is kept confidential in accordance with the law. EAP is not an insurance program and may be discontinued at any time. Due to the potential for a conflict of interest, legal consultation will not be provided on issues that may involve legal action against United Healthcare or its affiliates, or any entity through which the caller is receiving these services directly or indirectly (e.g., employer or health plan). This program and its components may not be available in all states or for all group sizes and is subject to change. Coverage exclusions and limitations may apply.

This program should not be used for emergency or urgent care needs. In an emergency, call 911 or go to the nearest emergency room. This program is not a substitute for a doctor's or professional's care. This program and its components may not be available in all states and coverage exclusions may apply.

Insurance coverage provided by or through UnitedHealthcare Insurance Company or its affiliates. Administrative services provided by United HealthCare Services, Inc. or their affiliates.
