## INDEPENDENT AUDITORS' REPORT

Board of Directors  
California State University, Dominguez Hills, Philanthropic Foundation  
Carson, California

### **Report on the Financial Statements**

We have audited the accompanying financial statements of California State University, Dominguez Hills, Philanthropic Foundation (Philanthropic Foundation), which comprises the statement of financial position as of June 30, 2021, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Philanthropic Foundation as of June 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Report on Summarized Comparative Information**

We have previously audited the Philanthropic Foundation's 2020 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 2, 2020. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2020, is consistent, in all material respects, with the audited financial statements from which it has been derived.

**Other Matter**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of net position, schedule of revenues, expenses, and changes in net position, and other information are presented for purposes of additional analysis and are not a required part of the basic financial statements. The schedule of net position, schedule of revenues, expenses, and changes in net position, and other information are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the GASB schedule of net position, GASB schedule of revenues, expenses, and changes in net position, and other information are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report October 1, 2021 on our consideration of the Philanthropic Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Foundation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control over financial reporting and compliance.

**CALIFORNIA STATE UNIVERSITY, DOMINGUEZ HILLS, PHILANTHROPIC FOUNDATION**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2021**

**NOTE 1 ORGANIZATION**

**Nature of Organization**

California State University, Dominguez Hills, Philanthropic Foundation (Philanthropic Foundation) is a 501(c)3 nonprofit corporation that exists to actively promote, pursue and steward private support for the advancement of California State University, Dominguez Hills. The Philanthropic Foundation is an auxiliary organization of California State University, Dominguez Hills.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation**

The financial statements of the Philanthropic Foundation have been prepared on the accrual basis of accounting to conform to accounting principles generally accepted in the United States of America (U.S. GAAP) as applicable to nonprofit educational institutions. Net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Philanthropic Foundation and changes therein have been classified and are reported as follows:

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor restrictions.

*Net Assets With Donor Restrictions* – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are released when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Revenues are reported as increases in net assets without donor restrictions, unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities, other than endowment and similar funds, are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation.

**Cash and Cash Equivalents**

Cash and cash equivalents consist primarily of deposits with the California State University, Dominguez Hills Foundation, a related party organization that provides accounting and management services for the Philanthropic Foundation. The California State University, Dominguez Hills Foundation holds these funds on behalf of the Philanthropic Foundation, and a substantive portion of its reported cash and cash equivalents is composed of the cash and cash equivalents it holds on behalf of the auxiliary organizations of the California State University, Dominguez Hills campus, including the Philanthropic Foundation.

**CALIFORNIA STATE UNIVERSITY, DOMINGUEZ HILLS, PHILANTHROPIC FOUNDATION**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2021**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Accounts Receivables**

Receivables consist of purchase advances for campus program donations accounts, as well as miscellaneous outstanding donations that are considered accounts receivables. The Philanthropic Foundation uses the allowance method of accounting for receivables determined to be potentially uncollectable. In management's opinion, all receivables were collectible at year-end and therefore no allowance has been established.

**Gift Annuity Receivable**

The Philanthropic Foundation holds a gift annuity receivable with the California State University Foundation. The California State University Foundation maintains the CSU Charitable Gift Annuity Program and the related receivable represented on the financial statements is for the present value of the amounts designated for the benefit of the Philanthropic Foundation.

**Endowment Investments**

The Philanthropic Foundation accounts for investments in equity securities with readily determinable fair values, investments in debt securities, and investments in alternative investments at fair value, with gains and losses included in the statement of activities. Gains and losses on investments are reported in the statement of activities as increases or decreases in net assets without donor restrictions, unless their use is temporarily or permanently restricted by donor-imposed stipulations. The fair value for investments in equity securities traded on national securities exchanges is determined by the closing price on the last business day of the fiscal year; securities traded on the over-the-counter market are valued at the last reported bid price. The fair value of open-end mutual fund units is determined by the published net asset value per unit at the end of the last trading day of the fiscal year.

**Property and Equipment**

Property and equipment are stated at cost or estimated historical cost if purchased or, at estimated fair value at date of donation if donated. Property and equipment with a value of less than \$5,000 are not capitalized. Depreciation is determined using the straight-line method over the estimated lives of the assets ranging from three to ten years. Leasehold improvements are amortized using the straight-line method over the shorter of their estimated useful lives or the term of the lease. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend its life are not capitalized.

**Revenue Recognition**

Contributions, including unconditional promises to give, are recognized as revenues in the period received. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. Contributions of property, plant, and equipment without donor restrictions concerning the use of such long-lived assets are reported as revenue of the net assets without donor restrictions. Contributions of cash or other assets to be used to acquire property, plant, and equipment are reported as revenue of the net assets with donor restrictions; the restrictions are considered to be released at the time such long-lived assets are placed in service. Contributions of assets other than cash are recorded at their estimated fair value.

**CALIFORNIA STATE UNIVERSITY, DOMINGUEZ HILLS, PHILANTHROPIC FOUNDATION**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2021**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Revenue Recognition (Continued)**

Contributions to be received after one year are discounted at an appropriate discount rate commensurate with the risks involved. Amortization of discounts is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions. An allowance for uncollectible contributions receivable is provided based upon management's judgment including such factors as prior collection history, type of contribution, and nature of fundraising activity.

**Functional Expense Allocation Methodology**

The functional allocation of expenses shared between programs, management and general, and fundraising is based on a reasonable and consistent basis using factors such as direct payroll allocation, square footage, full time equivalents within each department, and total direct expenses.

**Income Taxes**

The Philanthropic Foundation is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and California income taxes under section 23701(d) of the California Revenue and Taxation Code. The IRS classified the organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

The Philanthropic Foundation has adopted Financial Accounting Standards Board *Accounting Standards Codification* (ASC) Section 740-10, which clarifies the accounting for uncertainty in income taxes. ASC Section 740-10 prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return.

ASC Section 740-10 requires that an organization recognize in the financial statements the impact of the tax position if that position will more likely than not be sustained on audit, based on the technical merits of the position. As of and for the year ended June 30, 2021, the Philanthropic Foundation had no material unrecognized tax benefits, tax penalties or interest.

**Use of Estimates**

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period and the reported amounts of assets and liabilities at the date of the financial statements. On an ongoing basis, the Philanthropic Foundation's management evaluates the estimates and assumptions based upon historical experience and various other factors and circumstances. The Philanthropic Foundation's management believes that the estimates and assumptions are reasonable in the circumstances; however, the actual results could differ from those estimates.

**CALIFORNIA STATE UNIVERSITY, DOMINGUEZ HILLS, PHILANTHROPIC FOUNDATION**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2021**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Comparative Totals**

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. GAAP. Accordingly, such information should be read in conjunction with the Philanthropic Foundation's financial statements for the year ended June 30, 2020 from which the summarized information was derived.

**Risks and Uncertainties**

The Coronavirus Disease COVID-19 pandemic continues to have significant effects on global markets, supply chains, businesses, and communities. Specific to Philanthropic Foundation, COVID-19 impacted various parts of its 2020-21 operations and financial results, including, but not limited to, declines in enrollment, loss of auxiliary revenues, and costs for increased use of technology. Management believes Philanthropic Foundation has taken appropriate actions to mitigate the negative impact. However, the full impact of COVID-19 is unknown and cannot be reasonably estimated as these events are still developing.

**NOTE 3 LIQUIDITY AND AVAILABILITY**

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statements of financial position date:

Net assets with donor-restrictions exceeds the amount of liquid assets (cash, receivables, gift annuity receivable and investments) at June 30, 2021 by \$1,697,469.

Philanthropic Foundation has approximately \$7,649,337 in net assets donor-restricted for scholarships and campus programs, which represented 80% of 2021 total expenditures.

The endowment funds consist of donor-restricted endowments, income from which is restricted for specific purposes. Donor-restricted endowment funds are not available for general expenditure.

**NOTE 4 ENDOWMENT INVESTMENTS**

FASB ASC 820, which among other things requires enhanced disclosures about assets and liabilities that are measured and reported at fair value, establishes a hierarchal disclosure framework which prioritizes and ranks the level of market price observability used in measuring fair value. This hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three levels:

*Level 1* – Quoted market prices are available in active market for identical assets or liabilities as of the reporting date.

*Level 2* – Pricing inputs are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value is determined through the use of models or other valuation methodologies. A significant adjustment to a Level 2 input could result in the Level 2 measurement becoming a Level 3 measurement.

**CALIFORNIA STATE UNIVERSITY, DOMINGUEZ HILLS, PHILANTHROPIC FOUNDATION**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2021**

**NOTE 4 ENDOWMENT INVESTMENTS (CONTINUED)**

*Level 3* – Pricing inputs are unobservable and shall be used to measure fair value to the extent that observable inputs are not available. The inputs into the determination of fair value are based upon the best information available and require significant management judgment or estimation.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, the level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement.

The Philanthropic Foundation estimates the fair value of investments in investment companies for which the investment does not have readily determinable fair value using net asset value (NAV) per share or its equivalent. Those estimated fair values may differ significantly from the value that would be used had a ready market for these securities existed.

The Philanthropic Foundation uses the following ways to determine the fair value of its investments:

*Equities:* Determined by the closing price on the last business day of the fiscal year.

*Mutual Funds:* Determined by the published NAV per unit at the end of the last trading day of the fiscal year.

*Hedge Funds:* Determined by the NAV on the last business day of the fiscal year.

The following table presents investments measured at fair value on a recurring basis at June 30, 2021:

	Level 1	Level 2	Level 3	Total

**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2021**

**NOTE 7 ENDOWMENT**

California State University, Dominguez Hills Philanthropic Foundation's endowment consists of 114 individual funds established either by donors (referred to as *donor-restricted endowment funds*) or by resources set aside by the board of directors to function as endowments (referred to as *board-designated endowment funds*). Donor-restricted endowment funds are further divided into those that provide a perpetual source of support for California State University, Dominguez Hills Philanthropic Foundation's activities (referred to as *permanent endowments*) and those that are restricted by donors to investment for a specified term (referred to as *term endowments*). As required by U.S. GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

**Interpretation of Relevant Law**

The board of directors of the Philanthropic Foundation has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Philanthropic Foundation classifies as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

In accordance with UPMIFA, the Philanthropic Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the Philanthropic Foundation and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Philanthropic Foundation
- (7) The investment policies of the Philanthropic Foundation

Endowment Net Assets - June 30, 2021	<u>\$ -</u>	<u>\$ 18,223,221</u>	<u>\$ 18,223,221</u>

From time-to-time, the fair value of endowment funds associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Philanthropic Foundation to retain as a fund of perpetual duration. There were no such deficiencies at June 30, 2021.

As of June 30, 2021, the Philanthropic Foundation's endowment funds have a combined historic dollar value and accumulated investment gains of \$18,223,221 and related endowment investments with a fair value of \$18,285,969. The difference is due to the timing of the transfer associated with the endowment management fee recognized during the year.

**NOTE 8 RELATED PARTY TRANSACTIONS AND RECEIVABLES**

The Philanthropic Foundation receives various services from the California State University, Dominguez Hills Foundation (Foundation) and California State University, Dominguez Hills (University). These services are appropriately billed to the California State University, Dominguez Hills Philanthropic Foundation and recovered via payments to these entities. The Philanthropic Foundation paid the University \$1,122,654 and the Foundation \$95,000 during fiscal year 2021. The amount due to the California State University, Dominguez Hills Foundation or California State University, Dominguez Hills at June 30, 2021 was \$49,691. There were no amounts due as amount receivable from the University at June 30, 2021.

The Philanthropic Foundation transferred \$0 to the California State University, Dominguez Hills during fiscal year 2021.

Effective July 1, 2020, the California State University, Dominguez Hills Philanthropic Foundation executed a \$1,500,000 promissory note with the California State University Dominguez Hills Foundation. **NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2021**

**NOTE 8 RELATED PARTY TRANSACTIONS AND RECEIVABLES (CONTINUED)**

As discussed in Note 1, California State University, Dominguez Hills Philanthropic Foundation operates under agreements with the Trustees. Accordingly, essentially all revenues, and realization of certain assets, are dependent upon the continuation of this agreement.

**NOTE 9 CONCENTRATION RISK**

California State University, Dominguez Hills Philanthropic Foundation maintains its cash accounts with the California State University, Dominguez Hills Foundation, which utilizes Wells Fargo Bank, N.A. as its primary banking provider. As such, the California State University, Dominguez Hills Philanthropic Foundation is exposed to credit risk for amounts exceeding amounts insured by the Federal Deposit Insurance Corporation. California State University, Philanthropic Foundation has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk for cash and cash equivalents.

California State University, Dominguez Hills Philanthropic Foundation's investments are subject to various risks, such as interest rate, credit, and overall market volatility risks. Further, because of the significance of the investments to California State University, Dominguez Hills Philanthropic Foundation's financial position and the level of risk inherent in most investments, it is reasonably possible that changes in the values of these investments could occur in the near term and such changes could materially affect the amounts reported in the financial statements. Management is of the opinion that the diversification of its invested assets among the various asset classes should mitigate the impact of changes in any one class.

**NOTE 10 EMPLOYMENT AND BENEFITS**

All administrative activities performed on behalf of the California State University, Philanthropic Foundation are undertaken by either (a) employees of the California State University, Dominguez Hills Foundation under a Business Services Agreement or (b) employees of California State University, Dominguez Hills under a Cost Recovery Agreement in accordance with Executive Order 1000 of the California State University.

**NOTE 11 SUBSEQUENT EVENTS**

The Philanthropic Foundation has evaluated events subsequent to June 30, 2021, to assess the need for potential recognition or disclosure in the financial statements. Such events were evaluated through October 1, 2021, the date the financial statements were available to be issued. Events occurring after that date have not been evaluated to determine whether a change in the financial statements would be required. Based upon this evaluation, it was determined that no subsequent events occurred that require recognition or additional disclosure in the financial statements.

## INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors  
California State University,  
Dominguez Hills Philanthropic Foundation  
Carson, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of California State University, Dominguez Hills Philanthropic Foundation (Philanthropic Foundation), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 1, 2021.

### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Philanthropic Foundation's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Philanthropic Foundation's internal control. Accordingly, we do not express an opinion on the effectiveness of California State University Philanthropic Foundation's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify a deficiency in internal control, described in the accompanying schedule of findings and responses as items 2021-001 that we consider to be a significant deficiency.

Board of Directors  
California State University,  
Dominquez Hills Philanthropic Foundation

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Philanthropic Foundation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Philanthropic Foundation's Response to Finding**

The Philanthropic Foundation's responses to the finding identified in our audit are described in the accompanying schedule of findings. The Philanthropic Foundation's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

SCHEDULE OF FINDINGS  
YEAR ENDED JUNE 30, 2021**

---

**Section II – Financial Statement Findings**

---

**Finding 2021-001: Recognition of Contribution Revenue**

**Condition:**

During our testing of contributions recognized in fiscal year 2021, we identified items that should have been recognized in the prior fiscal year. We also identified contributed goods and services that were recorded.

**Criteria:**

Internal controls should be in place to provide reasonable assurance that financial statements are prepared in accordance with U.S. GAAP.

**Cause:**

The Philanthropic Foundation's established year-end closing procedures were not properly followed.

**Effect:**

An audit adjustment to record \$332,814 of contributed goods and services was required for fiscal year ended June 30, 2021. The effect of the items that were not recognized in the prior fiscal year would have increased contribution revenue, and restricted net assets by \$103,600.

**Recommendation:**

We recommend the Philanthropic Foundation's existing policies are reinforced and updated to reflect all the processes regarding the proper recognition of contributions received.

**Management Response:**

Management is reviewing Philanthropic Foundation's existing policies and related internal accounting controls to ensure all processes regarding the proper recognition of contributions received are timely recorded to provide reasonable assurance that financial statements are prepared in accordance with U.S. GAAP

SCHEDULE OF FINDINGS  
YEAR ENDED JUNE 30, 2021**

---

**Section III – Summary of Prior Year Findings**

---

**Condition:**

There was a \$464,838 overstatement in the Philanthropic Foundation's net assets with donor restrictions at June 30, 2019 as a result of earnings allocation and appropriation calculations errors in prior years. Further, \$723,660 of contributions received in prior years were incorrectly classified as the net assets with donor restriction that are perpetual in nature (i.e. endowment) as opposed to net assets with donor restrictions subject to expenditure for specific purpose and \$511,090 of contributions received in prior years were incorrectly classified as the net assets with donor restriction subject to expenditure for specific purpose as opposed to net assets with donor restrictions that are perpetual in nature (i.e. endowment)

**Status:**

The condition has been resolved in the current fiscal year.
