

Scholarship Opportunity for MSQA Students

For the Spring 2024 term, the CSUDH Quality Assurance Program has scholarship opportunities available to MSQA students for the following Spring 2024 classes: MSQA classes beginning in January, non-credit courses related to concepts contained in the MSQA curriculum and the ASQ World Quality Conference in May 2024 in San Diego.

The non-credit classes provide MSQA students an opportunity to advance their knowledge of contemporary quality concepts as supplemental learning to the MSQA required classes. Many topics studied in these special session non-credit classes contain contemporary developments in Quality, not yet been published in text books.

This scholarship award will pay class tuition only or only the ASQ Conference Registration fees. Additional textbook and any other requirements for SSGB, and conference travel fees are the student's responsibility.

The non-credit classes included in this scholarship are:

- Conformity Assessment
- Soft Skills of Quality
- Six Sigma Green Belt Applications

Dates, fees, content, instructors, and schedules for these classes are provided on the [CSUDH Certificates in Quality webpage](#).

Additional scholarship information is available on the CSUDH MSQA web page in the costs section.

To apply, please provide the following information:

- Full name, Student I/D number and Toromail address
- Number of MSQA credits earned and current GPA
- Towards which option do you want to apply the scholarship funds:
 - MSQA class
 - Laboratory Conformity Assessment
 - Soft Skills of Quality
 - Six Sigma Green Belt
 - ASQ WCQI in San Diego conference
- Include a single paragraph explanation stating why you want to attend this class/conference and how it will benefit your professional objectives.
- Send your scholarship application request as a M/S Word attachment to Mkrivokuca@csudh.edu and title the message "MSQA Scholarship Application" no later than January 3, 2024; 5 PM PST.
- Confirmation of receipt of your application will be provided in a timely manner.

Scholarship winners will be determined by a faculty committee using a scoring rubric. And notified by e-mail.
